Mandatory Liability Waiver:

By checking this box, I recognize that hashing is a hazardous activity, and that by participating in this event I risk incurring heat exhaustion, dehydration, broken bones, animal attack, bullet wounds, loss of dignity, and extreme thirst among other injuries. However, it is my heartfelt belief that I can hurt myself if I want to and that it is my own damn fault if I do. Therefore, I agree that I will not hold liable for any bad thing that happens to me, the members of the LAFFTER Hash House Harriers, the fermented beverages industry, or anyone else I may encounter. After all, who wants to be known everywhere as a whiny bastard? I realize that hashing is an inherently dangerous and stupid activity so if I hurt myself or get arrested and thrown in jail it's my own damn fault.
